## ELECTRONIC LIVING

### Automation Control for Smart Homes

#### Electronic Living are Specialists in Home Automation

We provide simple easy to use home automation and audio visual solutions  
We also maintain our mission and vision in continuing to strive for excellence and though passion and commitment to keep on pushing the boundaries of technologies, tailor designs to fit in with your requirements and ensure the solution allows for sustainable future growth

We also keep an eye on the latest technological developments in order to provide the best solutions for control in automation

#### Whole House Music

A typical home contains many interdependant technology systems  
These may include music throughout the home  
intercom, distributed video networking  
security, lighting, shading control etc

### Touch Screens

Control your environment with beautifully designed easy to use touch screens – control lighting, adjust the temperature, put on your favourite track all at the tap of a button

### Whole House Audio

Crestron makes entertaining truly effortless. Set the mood for the party with one touch. Want different music playing in the kitchen than in the dining area It's easy with Crestron in your home

### Lighting Control

Once the day's done, set the perfect scene for a family dinner or to snuggle up for a movie, as the screen drops, the lights dim and you settle in for a perfect evening

### Security

Keep a closer eye on your home. Crestron gives you the freedom to control your security and monitor cameras remotely, promising ultimate peace of mind

### Remotes

Communicate, control, entertain, play – at the touch of a button you have the ultimate in home control

### Video

Crestron takes your viewing experience to a whole new level. Whether you're watching your favourite show on cable TV, streaming a blockbuster movie or playing a cutting- edge game in 4K Ultra HD one touch ensures the screen you're viewing is optimized for whatever content you choose

### Shades

Crestron motorized shades and drapery systems transform any room into a more spectacular space Our stunning designer fabrics, elegant hardware and world-class technology ensure you find the perfect shading solution for all the windows in your home

### Climate

Set the perfect temperature, always. If it's cold outside, your home will adjust perfectly to keep you warm, or if it's too hot set the climate to cool intuitive sophisticated climate control for every season

The ability to personalise any space with the widest range of choices
